President's Message

Dear Members of the Coral Gables Music Club,

The November concert in Coral Gables Congregational Church Chapel featured the sensational opera voices of the University of Miami Frost Opera Theatre stars pictured here. These talented singers sang excerpts from 10 well-known and loved operas to the total delight of a packed room full of grateful listeners. Accompanying each with equal magic was their director, Alan Johnson, on the piano, as well as a storyteller of merit giving us stories about the excerpt from Gluck's *Orfeo ed Euridice* which added immensely to the enjoyment of the opera's majesty. It was a truly thrilling morning of music.
