

President's Message

Dear Members of the Coral Gables Music Club,
“Keep the music playing” is an oft time refrain from music artists and producers for many years past. I believe it is appropriate for the Coral Gables Music Club to allow it to be our standard for the 2019-2020 year. And it is suitable as our motto for 80 years of doing just that. This is and has always been our first and only goal – keep the music going.

As a tribute to the memory of Patricia Hughes Clarke , our club will flourish this year with free concerts on the second or third Tuesday of each month (with some exceptions) from October until May 2020. Not Only do we offer seasoned excellence in musical concerts but we award 20 scholarships to young people who show real talent and need help in the prodigious study of their art. Keep the music going is our mantra for this year. We invite everyone to join us in making this a remarkably successful 80th year in the business of making music.

Frances Meltzer

President, Coral Gables Music Club
